

Optometry Board Certification Study Guide

Encompassing profiles of every four-year college in the United States, an updated guide provides detailed information on academic programs, admissions requirements, financial aid, services, housing, athletics, contact names, and more for 1,600 four-year colleges throughout the U.S. Original. 22,000 first printing.

This comprehensive "must-have" for every pre-med student details every step from high school through MCATs, interviews, and acceptance into medical school.

Provides a comprehensive overview of the literature and professional organizations that aid career planning and related research for 111 careers requiring college degrees or specialized education.

Presents an emerging model in which occupational therapists practice as part of a team of vision rehabilitation professionals serving adults with low vision. Occupational therapists offer a unique contribution to the vision rehabilitation team, with a focus on meaningful occupational goals, the incorporation of occupation into therapy, and the orchestration of environmental, social, and non-visual personal factors into a treatment plan. The authors have developed a practical and straightforward text outlining an evaluation approach to interventions that focus on recovering occupational performance in adults.

A world list of books in the English language.

Contains four sections that include, theoretical perspectives on managing patient safety, top management perspectives on patient safety, health information technology perspectives on patient safety, and organizational behavior and change perspectives on patient safety.

Where to find help planning careers that require college or technical degrees.

About 100 papers were presented at this first meeting on deformation of geomaterials held 12-14 Sept. 1994. They address: lab and field tests, and modeling of shear deformation; materials properties and testing; performance; design; prediction. Most participants are Japanese; only one Russian (a formerly vibrant source of geotechnical development). No index. Annotation copyright by Book News, Inc., Portland, OR

Lists the certificate and licensing requirements for certain professions by state and federal agencies
